<div>BASE BID DESCRIPTION:</div>							
<div>At the southwest corner of the seventh-floor cornice, several cracked stone would require removal and reinstallation of several surrounding stones. At the northwest corner of the six-floor parapet, multiple cracked and displaced stones occur. Rebuilding the corner of the parapet, including replacement of cracked stones and removal/reinstallation of displaced stones. At the northeast corner of the building, below the sixth-floor cornice, three large spalls occurred. Rebuilding the corner of parapet, including replacement of cracked stones and removal/reinstallation of displaced stones. At the sixth-floor cornice at the north elevation, five large spalls occurred. Replace the built-in gutter at this location and replacing spall/deteriorated stones with new stones to match the existing.</div>							
<div>CBDP concurs with the DBE participation for the above recommended Bid. Please refer to the approved Form DBD-014C attached to the bid recommendation.</div>
